27 IN RE: 23ANDME, INC., CUSTOMER DATA  
28 SECURITY BREACH LITIGATION

CASE NO. 3:24-md-03098-EMC

**PLAINTIFFS' UNOPPOSED  
ADMINISTRATIVE MOTION TO  
EXTEND PAGE LIMITS FOR  
BRIEFING ON PLAINTIFFS'  
MOTION FOR PRELIMINARY  
APPROVAL OF CLASS ACTION  
SETTLEMENT**

Judge: The Honorable Edward M. Chen  
Courtroom 5 – 17th Floor

1 Plaintiffs hereby move for leave to extend the page limit for their Motion for Preliminary  
 2 Approval of Class Action Settlement (“Motion”) in excess of the page limitations imposed by  
 3 Local Rule 7-2. Plaintiffs seek this relief to sufficiently address the issues set forth in the Northern  
 4 District’s Procedural Guidance for Class Action Settlements, and to otherwise address the  
 5 fairness, reasonableness and adequacy of the proposed settlement. In particular, Plaintiffs request  
 6 an extension of the page limit for their Motion from 25 to 40 pages.

7 On July 16, 2024, the parties informed the Court that they had reached a settlement of this  
 8 class action in principle, having accepted mediator Randall Wulff’s mediator’s proposal. Since  
 9 that date, the parties have been working to finalize the necessary documentation of the settlement,  
 10 and Interim Co-Lead Counsel have been preparing Plaintiffs’ motion for preliminary approval.  
 11 Northern District Local Rule 7-2 provides that motions filed in this Court shall be no greater than  
 12 25 pages in length, absent court approval. Local Rule 7-11 addresses the recognition that during  
 13 case proceedings, a party may require a Court order with respect to administrative matters,  
 14 including motions to exceed otherwise applicable page limitations. Such is the basis of this  
 15 motion.

16 Review of class action settlements requires a rigorous and detailed analysis by the Court  
 17 of the fairness of the proposed Settlement to absent class members. Plaintiffs will endeavor to be  
 18 as concise as possible, however, in order to present the Court with a full record upon which to  
 19 consider Plaintiffs’ Motion, Plaintiffs request the Court grant the requested relief, and increase  
 20 the permissible page limit for Plaintiffs’ Motion to 40 pages, exclusive of exhibits and  
 21 declarations. The parties conferred on this issue and Defendant has no objection to Plaintiffs’  
 22 request.

23 Dated: August 23, 2024
